Interreg  
Alpine Space

SAB

## **Open Data – a big white elephant or an unused potential?**

Aleš Veršič, Open Data Hub Slovenia

## **What are the needs for the use of open data in the Alpine area?**

Guillaume Doukhan, ADRETS

## **A concrete example – Impuls4Action**

Stefano Sala, University of Milan

## **Let's draft a roadmap for the shared use of open data in the Alpine area**

Prof. Dr. Vili Podgorelec, University of Maribor

# Discussion: Towards Open Alpine Community

- How to best support and promote open and big data?
- What are common areas and business sectors we should first address?
- What are the benefits for rural communities and villagers and how should we encourage communities to collaborate?
- Is this the beginning of the Roadmap? What is missing to continue?
