

DIGITAL ALPS CONFERENCE

Future-proof digital infrastructures and platforms for the Alpine area

Workshop, 27 May 2021 :

1. *What do we mean with “future-proof” for the next 10 or 20 years from now*
2. *What are the **key digital infrastructures** where to invest in the next years*
3. *What are the **strategic initiatives** to successfully achieve this transformation for all Alpine territories (a “roadmap”)*

➡ Use Q&A to ask questions to speakers

➡ This session will be recorded
